Salvage Title Policy

Osage Nation Tax Commission Staff -

A Salvage Title applies to any vehicle ten (10) model years or newer that has been damaged by collision or other occurrence to the extent that the cost of repairing the vehicle for safe operation on the highway exceeds sixty percent (60%) of its fair market value immediately prior to the damage.

Given the nature of a Salvage Title, we will not issue Salvage Titles, as the Osage Nation owns no banks or insurance companies. However, when a foreign title is brought in, we must apply the applicable cause of the Salvage Title, such as flood damage or theft recovery.

When an Osage customer comes in to transfer a foreign salvage title to their name, examine the title for additional information. If the title is stamped:

1. Flood Damaged – Complete the Title assignment and stamp the title with the “Flood Damaged” stamp. Please make a note in DVS that the vehicle was flood damaged.
 1. Place “FLOOD” in Previous Tag field.
 2. Place “FLOOD DAMAGED” in Notes.
2. Theft Recovery – Complete the Title assignment and stamp the title with the “Theft Recovery” stamp. Please make a note in DVS that the vehicle was a theft recovery.
 1. Place “THEFT” in Previous Tag field.
 2. Place “THEFT RECOVERY” in Notes.

In the event the customer wishes to change the status of a Salvage Vehicle, the customer must bring the vehicle in for inspection. Visual inspections and examinations shall include:

1. Comparison of Vehicle Identification Numbers against ownership records;
2. Inspection of Vehicle Identification Number plate to detect alterations;
3. Interpret VIN on ownership documents to see that it describes the vehicle;
4. Inspect odometer of vehicle to detect rollback or alteration.

Once completed, we will stamp the Title with the “Rebuilt Vehicle” stamp.

If there are any questions, please contact the Director or Asst. Director of the Tax Commission.
