- Skiatook JOM powwow hasn't happened in a number of years. We will discuss having a dance or powwow for the end of the year. We will see what funds we have left and reach out for sponsorships to cover other costs. Osage Nation foundation is a good resource for sponsorship is needed.
- We will have a culture class next month. We will start advertising for it now. In this class we are going to offer to help students and parents learn how to make bandoliers and women's long beads. First 15 students to sign up for this culture class will be able to participate. This is one way we are supporting Skiatook JOM student's cultural needs. It was brought to this committee's attention that there was little to no support when it came to cultural needs and support. This committee intends on changing that.
