

Wynona JOM Meeting Minutes
April 19, 2022

Chairperson Samantha Gillett called the meeting to order at 6 p.m.

Attendance:

- Samantha Gillett, Chairperson
- Dana Lott, parent
- Lindsey Gross, Vice-Chairperson

Chairperson Gillett opened discussion about plans for the upcoming Native American Day. She read an email from Avis Ballard, JOM Coordinator. The requests, for the event, submitted to Ballard will be processed. Gillett also discussed her conversation with school Superintendent Shelly Shulanberger about plans for the indian taco meal. Deep frying is not allowed in the school cafeteria kitchen. The frybread will need to be made off-site and brought over for lunch. She will make arrangements for the frybread to be made at the Osage Nation Civic Center. The committee needs to ask someone to cook the bread.

The committee discussed the agenda for food prep and the activities held during the Native American day. Volunteers are needed the evening before the event on May 4 and the day of the event, scheduled for May 5. The frybread should be ready by 10 a.m. Lunch will begin at 10:50 a.m. and end by 12:30 p.m. The program begins at 2 p.m. It would be helpful to send a flyer to parents and invite them to the event. The flyer can also encourage students to dress or wear t-shirts to show support for the cultural program.

Chairperson Gillett opened discussion about the graduate scholarship gift card awards. The committee can sign the greeting card. Gillett will address them and Ms. Ballard can mail the cards to the students.

The committee began discussion about upcoming plans for the end of school celebration. The committee will purchase pizza and water for lunch. Volunteers are needed to help with the inflatables and lunch.

Meeting adjourned.
