

Barnsdall JOM Meeting Minutes for 4/6/2022

Meeting start time is 5:30pm

First item of discussion was regarding school supplies in the fall 2022-2023 school year. It was discussed about switching companies or possibly allowing parents to do reimbursement. A teacher from the high school explained that a LOT of the 7-12 school supplies were very un-necessary. The most they need is a couple notebooks and some mechanical pencils. Most all of their school work is required on their Chromebooks. It's mostly all digital.

Sarah Galligher made the motion to NO LONGER do the PACKS of school supplies for High School and just buy Notebooks and mechanical pencils for their use.

Marissa Turley seconded the motion.

Next discussion was for the Senior Luncheon. Graduation is May 19th and the last 2-3 weeks of school there is a lot going on. Talked with the 3 teachers present that are also Native parents and the best day for this will be Sunday May 1st, 2022 at 2:30PM. Katelyn Mead suggested getting Subway sandwiches, chips and cookies for them. Sarah Galligher agreed and seconded that notion.

As for senior gifts – Everyone is wanting to do something a little more special than just a gift card. It was suggested to check on the price of the plush blankets at the Osage Trading Co. in Pawhuska. Full size seemed to be the mostly agreed on size.

One parent did ask on if it's possible for the next school year can the JOM kids have \$10.00 to spend at the book fair? President Amber was unsure of that answer and advised she would ask Avis if that was something possible or not.

Meeting adjourned at 6:10PM.
