Administrative Order No. 2013-05

Slip Opinions

SLIP OPINIONS

Effective immediately, each opinion issued by the Osage Nation Supreme Court ("Court") shall be designated "SLIP OPINION" until certified for publication by the Court. Slip opinions carry full precedential force and effect, but are subject to modification or revocation by this Court. Modification of slip opinions shall not require notice or published modification orders, although either may be used at the Court's discretion. The official copy of all slip opinions, and all modification or revocation orders, shall remain at all times with the Clerk of the Supreme Court. When citing a slip opinion, the citation must include the designation "slip opinion" and the date filed.

A notice shall be included at the beginning of every slip opinion that states:

NOTICE: This opinion is subject to formal revision before official publication. Readers are requested to notify the Court Clerk, Osage Nation Supreme Court, at 1333 Grandview Ave., Pawhuska, OK 74056, or at [courtinfo@osagetribe.org](mailto:courtinfo@osagetribe.org), of any typographical or other formal errors so that corrections may be made before the preliminary print is approved for official publication.

The Clerk of the Supreme Court shall certify an opinion as "For official publication" and transmit it to the named parties and *amici*. The final opinion shall be posted in place of the slip opinion on the Court's website.

If there is any discrepancy between slip opinions and opinions designated "For official publication," the latter controls. After an opinion has been designated "For official publication," a modification order shall be required for any non-clerical change, and such modification order shall appear with the opinion or the opinion shall note it was changed due to a modification order.

Ordered this 1st day of May, 2013.

Meredith D. Drent  
Chief Justice
